Information About Food Service When Visiting

Visitors often like to sit, relax, and eat in our park-like setting.

We always have water on hand for our guests. But we do not have prepared food service.

However...., we know of plenty of options available to you.

Here are a few ideas to help you enjoy a picnic on the farm.

- You can bring your own prepared food or snacks. Easy enough; right?
- You can order food from a restaurant and have a food delivery service such as Grubhub or Doordash deliver it here.
- We have found a lot of happy people that use Ingallina's boxed meals. (<https://www.ingallina.com/>) They have a wide variety of choices and make deliveries here at the farm.
- We work with several different partners that can help you with food or wine service. You can find those partners on our website here: <https://www.carriagehouselavender.com/about/partners> From that web page you can explore other options by clicking on the website link in their information box.

We want you to enjoy your visit with us. If there is anything that we can do to help you please do not hesitate to contact us.
